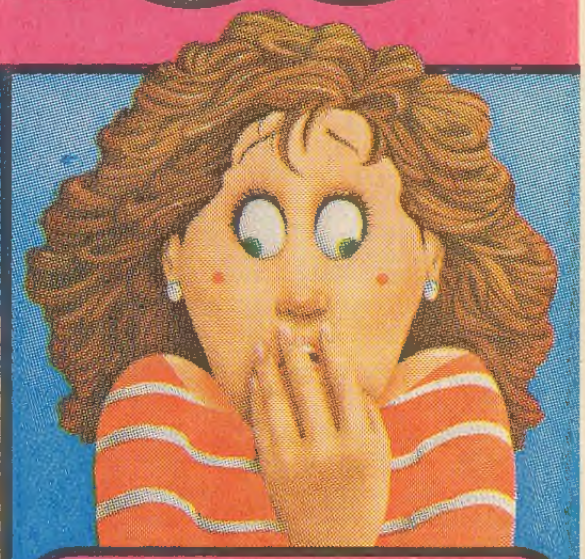
Zittles:

Paperbacne:
The kind of acne you'd like to hide behind a book.



Oppozits:
Two matching pimples—one on each cheek.

"Zittles" are brand new words for the same old bummers—acne pimples. What can you do about them? Launch a major Zitskrieg with the unbeatable medicine in Oxy 10®, Oxy 10® Cover, Oxy 5® and Oxy 10® Wash. They all contain a potent measure of benzoyl peroxide, the very stuff that brought acne medicine out of the Dark Ages.

In fact, to kill acne bacteria and help prevent new pimples from forming, there's nothing stronger you can buy without a prescription.

Next question: How clean can you get your skin? You know all those little embedded blackheads that like to call your nose home? Oxy Clean® softens them up—helps send them floating down the drain.

Oxy Clean Medicated Pads, Cleanser, Soap and Scrub lift away dirt and oil so well you can actually prevent new pimples from starting in the first place.

So, if you're hiding your Paperbacne behind this magazine, get Oxy and get your face ready to face the world.

OXY Because zits are no laughing matter.

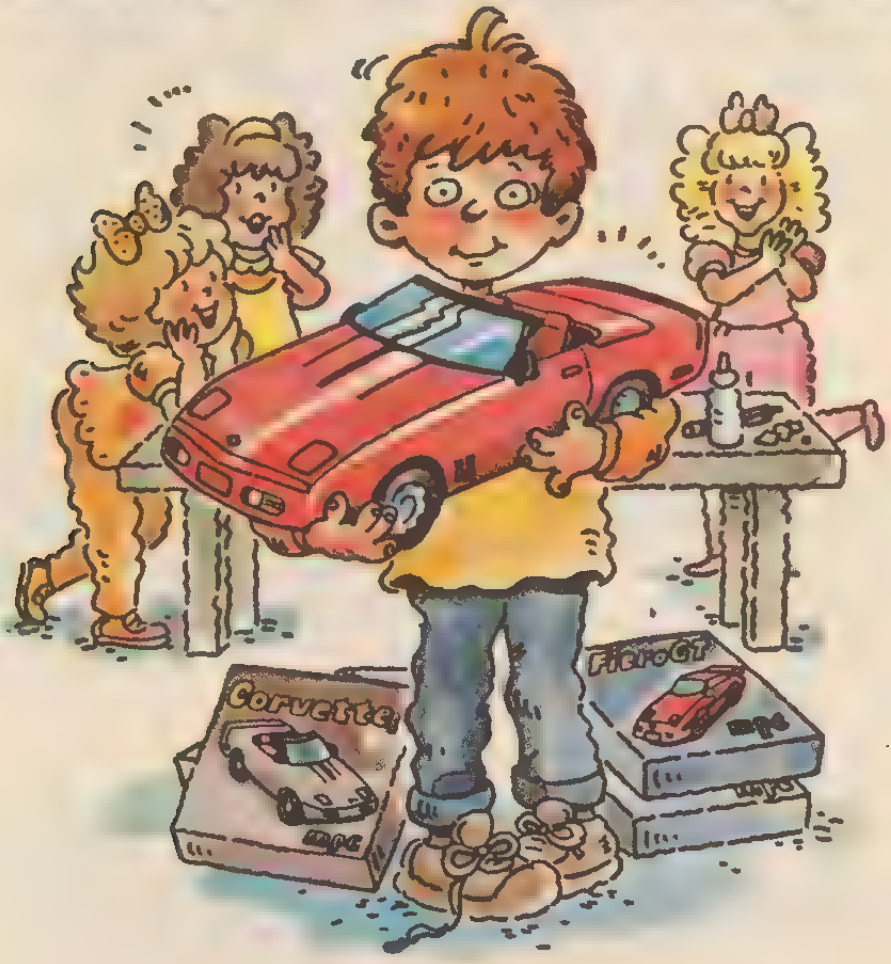
BODY BUILDER



Maybe it's a truck body. Maybe a racing car body. But whatever model you're building, you want it to look the best. That means putting in a ton of care and concentration. And paying particular attention to the details.

And when it comes to details, no one out-muscles MPC. Details are MPC's strength. You see, at MPC special effort is given to insure that every car or truck is 100% authentic.

Whether it's an old model or a new one. A Classic Muscle Car or any of the newest '87 American High Performance Cars, MPC's got a model kit you can wrestle with.

So if it's a great body you want to show off, get an MPC Model Kit.

Just like the real thing. Only smaller.

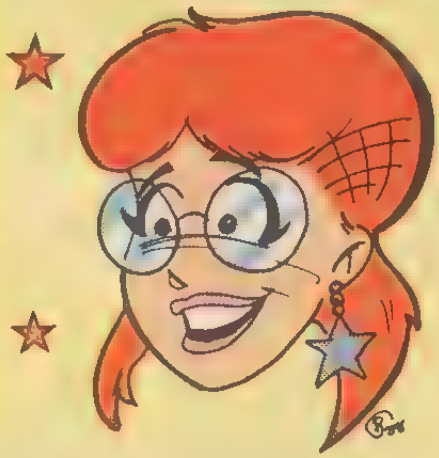
STAR SIGNALS

MEET SUPER STAR: SUE FLAXMAN



Assistant Editor on: All those nutty STAR books!
Marvel freelance credits (past): The ever-famous article about the Marvel intern program for MARVEL AGE, several letter columns, and an issue of THUNDERCATS which will (maybe!) be published in England!
Marvel freelance credits (present): A bunch of stories for MARVEL COMICS PRESENTS

My hobbies are: Fantasy role-playing, Society for Creative Anachronism, reading mystery novels, singing silly Celtic songs in a loud voice, and wearing a purple feather in my hat
The single work which I am most proud of is: Being Marvel's editorial secretary for almost *2* years! Whew!
My pet peeves are: Early-morning phone calls, computers, and vilains who say "Bah."
My place of birth is: Buffalo, NY
My greatest accomplishment outside the comics field is: Reading GONE WITH THE WIND thirty-seven times in 10 years.
My oddest habit is: Driving down the New Jersey Turnpike in reverse
If they were making a movie of my life, I'd like to see my part played by: Janine Melnitz
The reason I got into comics was: I wanted to be able to wear jeans to work
People who knew me in High School thought I was: The Stage Manager
My favorite performers are: The Grateful Dead, Clannad, the Pogues, Bob Dylan, RUSH
The last good book I read was: RITE OF SPRING by Andrew Greeley
The last good movie I saw was: THE VIKINGS
The biggest influences on my work include: Virginia Woolf, the Brontës, Marion Bradley
My greatest unfulfilled ambition in the comics field is: To say "swordfish" to John Lewandowski 5 mornings in a row
The worst part of my job is: Ask me again in 6 months — so far, no complaints.
When nobody's looking I like to: Take my shoes off in the office & put my feet on the desk
The one thing I really want the world to know about me is: I feel very strongly that women *can* write comics as well as men — and more women should be *doing* so!
